

CAPTURING IMAGES THAT LAST!

- a note from Sabrina Cain

Choosing a photographer to capture moments in life such as this, is more important than you could ever imagine. Days come and go and people change every day. Memories do last a lifetime, but quality photos provide lasting images to treasure forever. My role as a photographer is to capture a variety of unique and creative portraits in a story telling fashion that will be memorable to you. Customers love my friendly, creative photography style and the heart warming touch given to all photos.

Creating a Keepsake

Each setting is carefully designed to create a soft and warm scenery to capture the most natural and precious portrait. We can create the scene to best suit your needs. Styles may vary from elegant to fun and silly portraiture, but we always try capture the most natural moment of expression in the most traditional and unique way.

Not Just Traditional Photography

Babies are photographed on soft lambskins that calm and soothe babies. Soft wool fibers are a delight to touch. You have a choice of lilac snow, dove blue, wildfire red, dusk brown and ivory, champagne, ivory white, and natural. Tulle is a nice added touch to scenery
