

CAPTURING IMAGES THAT LAST!

- a note from Sabrina Cain

Choosing a photographer for a special event is more important than you could ever imagine. Days come and go and people change every day. Memories do last a lifetime, but quality photos provide lasting images to treasure forever. My role as a photographer is to capture a variety of unique and creative portraits in a story telling fashion that will be memorable to you. Customers love my friendly, creative photography style and the heart warming touch given to all photos .

****What describes Images By Sabrina Photography's photographic style?***

Creating a Keepsake

Senior Portraits provide a lasting keepsake for an important milestone in every young adult's life.

Not Just Traditional Photography

Not just ordinary snap shots or plain posed photographs. We put style into creating poses and bring each senior's own unique personality to life. On location photography.

Outfits

Bring your favorite outfits ! No charge for outfit changes. Dressy, casual, semi-casual, sporty, or uniforms—whatever brings your personality to life!

Props

Don't forget to bring your own props ! Trophies, musical instruments, your car, your truck ,or your favorite hat. The possibilities are endless and the choice is yours. You can check out our website for prop ideas at [www. imagesbysabrina.com](http://www.imagesbysabrina.com). (\$10 fee for pets)

Design

Order photos with borders or your choice of **Color, Sepia, or Black & White** at no additional charge.
